

Bench top Operation

Simple to Use

Handles almost all
magnetic media formats

Easily Transportable

As little as 10 seconds
per tape

High Energy

V92 Digi Tapemaster

Compact, High Energy Degausser

The V92 Digi Tapemaster is probably the most compact, high energy eraser available for users who require a highly efficient, low volume degausser. Capable of erasing all high energy magnetic media, oxide or metal based. The V92 Digi Tapemaster is suitable for almost all applications for magnetic media users.

The V92 Digi Tapemaster is a compact, low noise, manually operated unit which sits neatly on a table top. No compromise has been made when it comes to performance. With erasure levels below -75dB for high energy metal tapes and below -90dB on standard oxide tapes, complete erasure is assured every time. Erasure time is also extremely quick, taking as little as 10 seconds to erase each cassette.

The V92 Digi Tapemaster provides a truly universal, desk-top, magnetic media degaussing facility that meets the needs of a diverse range of user groups using a wide range of audio, video and computer tapes, and cassettes.

V92 DigiTapemaster

Compact High Energy Degausser

Specifications

Media Erased:	<u>Broadcast & Video</u> DVC Pro, Hi 8 <u>Data</u> Diskettes, QIC - DC 600, 2000, TK50, 70, 85, DLT, 3480/3490E/3590E, 4mm/8mm/ Exabyte/Travan, PC Hard Drives
Power:	220 to 240V 50Hz, 115V 60Hz
Dimensions:	Height: 6" (154mm), Width: 10.5" (270mm) Depth: 13.5" (340mm),
Weight:	34lbs (15.5kg)
Throughput:	180 cassettes/cartridges per hour typ.
Degaussing Force:	4000 gauss
Erasure Depth:	-75 dB on 1500 Oe -90 dB on 750 Oe
Duty Cycle:	Non-continuous, as little as 10 seconds per cassette
Current Rating:	9 amps typ.
Controls:	Mains switch, degauss switch, security key switch
Indicators:	Degauss on light

Verity Systems maintains a policy of continuous improvement and reserves

Warranty

- 12 months back to base, all parts and labour included.
- Please call Verity Systems or your distributor for Extended Warranty and Comprehensive on site cover options.

Options

- Foot Switch (performs same function as the Degauss switch)
